

Lake Boondooma Camping and Recreation Area

Lake Boondooma, 20 kms from Proston has become the recreational playground for the South Burnett and is fast becoming one of the most popular spots in South East Queensland. The turn-off to Proston is just to the north of Wondai, only 3 ¾ hours from Brisbane and 2 ¾ hours from the Sunshine Coast.

The residential development site is 3.5 kms from the Lakeside Camping and Recreation area. The park offers inexpensive but first rate caravan, camping, bunkhouse and fully self-contained cabin accommodation on the Lake's foreshores along with tennis courts, modern amenities blocks, camp kitchen, a central kiosk and extensive landscaped picnic and BBQ areas.

Boating and fishing enthusiasts are well catered for with boat ramps, boats for hire and a supply of fishing gear and bait. Fuel, gas refills and ice are also available from the kiosk area.

The lake is not only a popular fishing spot, but it is also a haven for watersports, including boating and canoeing.

A continual upgrading of recreation and camping facilities at Lake Boondooma has seen it win a regional tourism award.
